S.B.(II). P.W.D.

The degrees and diplomas awarded by the University of Sind, the educational standards of which are not below the educational standard of the corresponding standards of the degrees and diplomas awarded by the B'bay Govt. are recognised by Govt.

2. The Diploma standard of the India Civil Engineering Institute, Sukkar, upto the year 1947 was below the A.C.E. of this Govt. It is therefore clear that degrees and diplomas of the India Institute, Sukkar (Sind) granted prior to 1947 (i.e. prior to the revised standard of education) cannot be recognised as equivalent to the diploma of the College of Engineering, Poona.

3. The P.H.E. may be informed accordingly. The P and S.D. may, however; see the papers u.o.

P. & S.D.

Pl. See G.R., P. & S.D. No. 206/46 dated the 17th Aug. 1950 by which Govt. has issued orders to the effect that until further orders the degrees and diplomas awarded by the University of Sind should be recognized for the purposes of recruitment to Services under this Govt. It is presumed that the Indian Civil Engineering Institute, Sakkar, in Pakistan is not officiated to the University of Sind i.e. in otherwords the diploma awarded (by that Institute) is not from the University of Sind. If the presumption is correct, it is for consideration why the recognition granted to the diploma awarded by the Insittute in question from the year 1947 (vide G.L., P.W.D. No. 6717/36(1), E-II dated the 7th December 1945. to the S.E., P.C.) should not be now withdrawn. The P.W.D. may consider the qu question.

2.....

2. The papers may be returned to the P.W.D. with the note.

DEPARTMENT OF TECHNICAL EDUCATION.

Returned with compliments.

2. It is very difficult to judge the merits of an Institution without knowing anything about its staff, equipment, buildings, admission standard of students, duration of courses etc. The only information that I have is derived from one of my Inspectors of Education who hails from Sukkur and who has first hand information. From him I gather that the Institution had no Hydraulics or Mechanical Engineering Laboratory. It would therefore therefore appear that the Institution was catering to the needs of the staff in the P.W.D. of qualifications lower than Overseers. I therefore feel that its Diploma cannot be reckoned as on par with those awarded by the State Council of Technical Education, through well

recognised Engineering .....

Below u.o.r. No. 978/48/31223 dt. 9-4-51 of Political & Services Dept. Bombay received from P.W.D. under their endorsement dt. 16th April 19 51.

College of Engineering,
Poona 5.

Forwarded with compliments for further disposal.

I do not know whether the Indian Engineering Institution, Sukkar, is affiliated to the University of Sind. If it is not, then its Diploma should not be recognised by the Govt. of Bombay.

Submitted.

2. The diplomas and degrees awarded by the University of Sind have been recognised, until further orders, for the purpose of recruitment to services under the State Govt., vide G.C., P. and S.D., No.206/46, dated the 17-8-1950. In this con. it may be stated that the overseer's certificate granted by Indian Civil Engrg. Institute, Sukkur (Sind) had, also, been recognised for the purpose of recruitment to the Subordinate Service of Engineers, vide G.R., P.W.D.,No.826/36, dated the 3-8-1944. The candidates have to complete three year's course of training in Civil Engineering and have to pass the examination held in common with the final diploma examination in Civil Engrg. of the N.E.D. Engrg. College, Karachi, i.e. the candidates who passed overseer's examination in 1947 and onwards, are eligible to recruitment to the S.S.E. The local officers were also informed accordingly in G.L.No.6717/36(1)-E(II), dated the 7-2-1945.

3. The P.H.E. to Govt. presumes that the orders issued in G.C., P. and S.D., No. 206/46, dated the 17-8-1950 are in supersession of those issued in G.L.No.6717/36 (i)-E(II), dated the 7th December 1945. This is not correct. The P.H.E. also enquires whether the degrees and diplomas of the Indian Engineering Institute (Sukkur) granted in 1950 and onwards are recognised for the purpose of recruitment to services. The overseer's certificate granted by that Institution has only been recognised for the purpose of recruitment to the S.S.E. as stated above, while the degrees and diplomas awarded by the Institution in question have not been recognised so far. The P.H.E. may be informed as per draft put up for approval.

Id/-
24/9/51

But.....

But why not made it clear that diplomas granted by the Institute in 1947 and onwards are recognised for purpose of recruitment and S.S.E.

Id/-
24/8/51.

F.B. 978/48/78974.

P. W. D.

- Resubmitted with ref. to the D.S.'s note dated the 24-9-51.

2. The diplomas granted by the Indian Engineering Institute Sukkar, has not been recognised for the purpose of recruitment to the Subordinate Service of Engineers. The overseer's certificate granted by that Institution has been recognised for the purpose of apptt. to the Services. The candidates, who obtained the certificates in 1947 and onwards, are eligible for apptts. This fact has been clearly intimated to the C.H.E. to Govt., vide Govt. endt. No. 6717/36(1)-E(II), dated the 7-2-45. In the circumstances the draft at pages of the corresp. section necy. perhaps issue.
